

Fairhaven, Massachusetts

Bringing a Business Back to Life

Fairhaven represents one of the accomplishments we are most proud of.

Unlike our other locations, this wasn't an acquisition of an operating business.

The location had been closed and vacant for **12 years**.

Where others saw an empty building, we saw opportunity.

Reopening Fairhaven required rebuilding virtually everything—from the facility and equipment to staffing, training, marketing, and rebuilding trust within the community.

Opening in June 2021, the business generated nearly half a million dollars in only seven months.

Today it stands as a thriving location serving the South Coast.

Fairhaven Performance

Year	Sales
2021 (June–December)	\$467,449
2022	\$1,236,809
2023	\$1,383,503
2024	\$1,691,434
2025	\$1,730,601

Fairhaven demonstrates that Wall Enterprises doesn't simply improve businesses—we create them.
